

## News From The Country Round

Owing to the fact that The Sentinel published a day earlier last week on account of Thanksgiving day the following county letters were received too late for publication in last week's issue—hence they are given this week.

### SPENCER

(Deferred Letter)

Turkeys certainly roosted high one day last week when a bunch of them flew to the top of the tallest trees in front of the State Bank. They caused quite a little excitement before they were caught and placed in crates.

Mrs. Fred Nicols entertained a party of little folks at her home one day last week.

It is rather a hard matter to keep track of our garage owners, when the garages are being sold every few months. Arley Hendricks has bought the Blake Stroupe garage, and what used to be the Moore garage has been sold to Archie Robinson. Mr. Wm. Moore will continue to have his office in the building. We understand that Spencer is to have another new building in the spring.

Mr. George Betz and daughter, Gertrude, of Leroy, were in town one day last week, calling on friends.

Mrs. Ross Mowry and little daughter, of Congress, are spending a few days with the former's parents, Mr. and Mrs. Will Auble.

Mr. and Mrs. Sears spent Sunday with their daughter near Chatham.

Little Mildred Marsh, daughter of Mr. and Mrs. John Marsh, had the misfortune to stumble over a piece of carpet and fall. The fall would not have caused much excitement but baby Mildred had found a crocheted hook some where and had it in her mouth. The hook went through the roof of her mouth and pierced the nose. No serious trouble has developed so far.

Mr. Jay White and Mr. Paul White, of Akron, visited at the home of Mr. and Mrs. Wm. Ream over Sunday.

Mr. Ned Fuller and wife went to Elyria to visit their son, Alfred, who is in the Elyria hospital, where he was operated on for goitre. Alfred was just recovering from an operation for appendicitis. That's what we call hard luck.

Miss Ruth Ream was a guest at the home of Mr. and Mrs. Fred Franks for Sunday dinner.

Mr. and Mrs. Foster and baby daughter, of Lorain, are visiting at the home of Mrs. Foster's mother, Mrs. Clara Omeroid.

Mr. Bennett, pastor of the F. B. church of Spencer had an auto accident the other evening. While returning from Elyria a large auto, side-swiped his Ford, throwing Mr. Bennett out, cutting his head and injuring his ankle. Mr. Bennett, pastor of the Methodist church, who was returning from Cleveland, was near at the time and brought the Rev. Bennett home.

Now that Thanksgiving has come and gone we can get ready for Christmas. Sugar is just as scarce as ever, but we can get through Thanksgiving alright, so we are not so very scared of what will happen Christmas.

The work on the new State Bank continues in spite of the rain and bad weather.

Mr. Norris Walters returned home from Cleveland Saturday.

No more cases of diphtheria have been reported for which we are very thankful. If you have a sore throat, don't get on the school wagon, but stay at home and doctor your throat.

Rain and mud and then some. Looks as though we were not to have any winter weather. The gas problem makes us thankful that the weather is no worse.

Paving stones are arriving in town. By next week the south street will have all the sidewalks in place, and we will not have to go stumbling along over uneven walks.

The electric light people have nearly all the cross pieces on the poles ready to string up the wires. Something happened to the electricity a couple of nights last week, we had no street lights at all. Makes us wonder how we ever did get along without them.

Do your Xmas shopping early.

Mr. and Mrs. Norris Walters went to Bellevue to spend Thanksgiving with their son and family.

Dr. Stroup went to Cleveland Wednesday to visit his daughter, Vina, and enjoy Thanksgiving.

Mr. and Mrs. Sam Shaw spent last Sunday in Medina visiting their son, Claude and family.

Miss Irma Rugg spent the later part of the week in Wellington visiting her parents.

Our school will be dismissed for just one day this week—Thanksgiving. Usually the faculty is given the day after for a vacation, but some how they couldn't spare the time this year.

Nov. 22, Mr. and Mrs. Emerson Dague celebrated their silver wedding anniversary. It was a surprise, of course. A little while before dinner autos arrived, also horses and buggies, bearing a large number of relatives and friends bringing well-filled baskets, and oh such a dinner. It seemed that each vied with the other in preparation of the baskets, for there was an abundance of chicken and everything that goes with a fine wedding dinner. One party asked the surprised party if they had as much for dinner twenty-five years ago, and the reply was that they had a fine dinner then. One lady spoke up and said, "I was present and can testify that it was fine." It was indeed a very happy occasion and one long to be remembered. A silver offering was taken after the dinner and presented by their pastor, the Rev. J. E. Paddock, D. D., with appropriate remarks. Mr. Dague responded in a fine manner, expressing their appreciation of the presence and remembrance of their friends. Among those present were Mr. Merritt Dague, Mrs. Charles Dague and daughter, Mr. and Mrs. Jerry Dague, of Lodi; Mr. and Mrs. Levi Dague, of Pawnee; Mr. and Mrs. Walter Everhart and family, Mr. and Mrs. Grant Hull and daughter Treva, Mr. and Mrs. Irvin Broadword and family, Mr. and Mrs. Milton Garra, Mr. and Mrs. Jay Root, Mr. and Mrs. Clarence Doane, Mr. and Mrs. Levi Friedt, Mr. and Mrs. Eli Dague and family, Mrs. F. # HOOSIER

— the Kitchen Cabinet that saves miles of steps

## "My best Christmas gift— more leisure all year"

EVERY home should have its Hoosier, for every housewife deserves the many benefits it brings. And there's no more fitting time to get it than at the Christmas season.

The gift of a labor-saving Hoosier expresses the intimate thoughtfulness every home-maker appreciates. It makes her work easier and more enjoyable all year. It makes her workshop more attractive and adds to the pride of home.

Surrounded by many patented conveniences found only in the Hoosier, the housewife sits at her work in-

stead of walking to and fro. Thus she saves miles of steps.

Because utensils and supplies are centralized in the Hoosier, much work is saved. By preventing waste in measuring and mixing, foods are saved.

If your kitchen still lacks this greatest convenience when Christmas has passed, come and see a demonstration. But don't hesitate to let it be known that a Hoosier for Christmas would please you most.

Hoosier prices are moderate. The terms are convenient. Many fine models to choose from.

\$1.00 Delivers Cabinet; \$1.00 weekly dues.
